# The Political Economy of Capital Cities

**Heike Mayer**, University of Bern, Switzerland, **Fritz Sager**, University of Bern, Switzerland, **David Kaufmann**, University of Bern, Switzerland and **Martin Warland**, University of Bern, Switzerland

*Series: Regions and Cities*

Capital cities that are not the dominant economic centres of their nations – so-called ‘secondary capital cities’ (SCCs) – tend to be overlooked in the fields of economic geography and political science. *The Political Economy of Capital Cities* aims to address this gap by presenting the dynamics that influence policy and economic development in four in-depth case studies examining the SCCs of Bern, Ottawa, The Hague and Washington, D.C.
