

## Directions to Scouts House (accommodation)

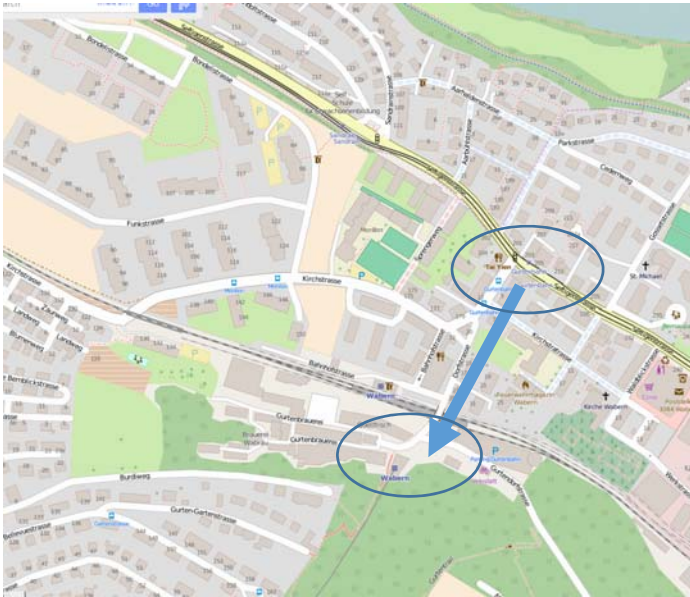

There are two convenient ways from Bern Station to the Scouts House.

1. The shortest way (blue): Follow the large road “Bollwerk” just next to the main station for around 500m until you reach to a large bridge (“Lorrainebrücke”) over the river Aare. Just on the right side of the bridgehead, you will find a small stairway downhill. Follow it until you reach the river. Turn right (upstream) and after just 100m you will find the Scouts House on your right-hand side. In total: about 10min.
2. The nicer way (red): From Bern tramway station, follow the main road “Spitalgasse” towards the Old City until you reach the next big square (“Bärenplatz”, just the next tram station). Turn left, cross the square, go ahead towards the building on the end side (police station). Just right to the building, you will find a small street / path downhill. Follow it until you reach the river. Turn left (downstream) and after around 300m you will see the Scouts House on your left-hand side. In total: about 15min.

Important: When following way no. 1, you will pass by the official drug treatment point. It might be that you encounter drug addicted people. Normally nothing happens. In case you feel endangered in anyway, please do not hesitate to call the Police (0041 31 321'21'21 or 112). If you feel uncomfortable with this situation (especially if you are alone or during night-time), we recommend to use way no 2.

On Sunday, Andreas will be at the Scouts House from 12.00. If you get lost, please contact him: 0041 76 747 6385. From the Scouts House to the PLPR conference venue (green arrow), it is a 20min walk.

## Directions to Gurten (workshop venue)

From the city center, take tram no. 9 (direction “Wabern”) until “Gurtenbahn” (about 10-12min ride). When stepping out, take the road on the right-hand side (“Dorf-Str.”). Follow the street, bear straight / slightly left, and go a bit uphill until you reach the valley station of the Gurtenbahn (funicular). The entrance is marked with “Eingang”. When reaching the mountain station, you will see our venue on your right-hand side. The entrance is on the first floor level.

This trip (incl. the funicular) is free of charge for everybody staying in an hotel, B&B, or the Scouts House. Please remember to bring along your Bern Ticket! In case you do not have a ticket (with you), we recommend to buy a day ticket (12.40 CHF).
