& EthnoKino (Reitschule)

[mlab.unibe.ch](http://mlab.unibe.ch)

THU, Nov. 25 - EthnoKino

Reitschule

19:00 THE MUSHROOM SPEAKS

Opening

DOCU, 2021  
91 min  
DE, EN, JP  
OV with  
EN subs

A walk alongside parasites, symbionts and decomposers offering ideas of interconnectedness. With mushrooms and their allies the film invites to imagine a myco-cultural (r)evolution.

Institute of Geography  
University of Bern

The 4<sup>th</sup> Global Science Film Festival takes place simultaneously in Bern and Zurich. Each film will be followed by a panel discussion with the film directors, researchers and experts from the fields.

Tickets: CHF 10.- /red. CHF 7.- / limited free seats for university students

SAT, Nov. 27 - Kino REX

SUN, Nov. 28 - Kino REX

11:00 WAKE UP ON MARS

DOCU, 2021  
91 min  
AL, SE  
OV with  
EN subs

A 10-year-old Roma boy living in Sweden attempts to come to terms with the mysterious resignation syndrome that has put his two sisters in a coma and dreams of building a spaceship.

THE TIGER MAFIA 12:30

DOCU, 2021  
90 min  
EN, DU  
OV with  
EN subs

The tiger is one of the most beloved and threatened creatures. In his nine year investigation the filmmaker uncovers their illegal breeding in secret South East Asian tiger farms.

13:30 NEMESIS

DOCU, 2021  
131 min  
DE  
OV with  
EN subs

From the perspective of the filmmaker's window, the film explores the destruction of a unique train station in Zurich and the construction of the new prison and police center in its place.

PURPLE SEA + SHIPWRECK ... 15:00

DOCU, 2020  
67 min  
AR + EN  
OV with  
EN subs

An overcrowded ship suffers shipwreck on its way from Turkey to Greece. One of the survivors filmed the sinking of the ship with a waterproof camera she wore on her wrist.

16:30 CODED BIAS

DOCU, 2020  
90 min  
EN  
OV with  
FR subs

What does it mean when artificial intelligence increasingly governs our liberties? And what are the consequences for the people the algorithms are biased against?

THE SCENT OF FEAR 17:30

DOCU, 2021  
93 min  
DE, EN, KR  
OV with  
EN subs

The Scent of Fear is a journey around the globe, on which we meet people who freeze with fear, people who are looking for it, people who find it, and people who love it.

19:30 FROM THE WILD SEA

DOCU, 2021  
78 min  
EN, CN, VN  
OV with  
DE, EN subs

The film shows the work of maritime aid organizations. In haunting images, the ambivalent relationship between society and threatened ecosystems is laid bare.

SHORT FILM NIGHT 20:00

61 min  
DE with  
EN subs

The short films explore such topics as the future of the sheep-herding profession, mountain climbing with robots, homosexuality in the animal world.

**Festival Party**  
21:30 at REX with  
apero and dance

**Award Ceremony**
