

International Women's Day Soup Lunch
8 March 12.00-13.00, Foyer GIUB

„GIUB STRIKES“

The Equal Opportunity Commission of the GIUB invites students, staff, PhDs, postdocs, lecturers, professors - in short the whole GIUB - for the International Women's Day Soup Lunch on **8 March 2023 from 12.00-13.00**.

This year's theme is the women's strike on 14 June 2023. At the soup lunch, we discuss what we could strike and fight for at GIUB. Simona Isler (Gosteli Foundation) will give us a brief insight into Switzerland's history of women's strikes.

The soup is free and the event will be fun!
